

PROCLAMATION

WHEREAS invasive species, including Dutch elm and emerald ash borer beetles and zebra mussels, can result in the loss of Manitoba's unique ecosystems and native species;

AND WHEREAS the activities of people are most often responsible for the introduction of a species to a new area;

AND WHEREAS preventing the introduction of an invasive species to a new area is the most effective way to manage it;

AND WHEREAS increasing awareness of the threats of invasive species will help prevent the introduction and spread of invasive species;

**NOW, THEREFORE, WE THE COUNCIL OF
THE CITY OF DAUPHIN
DO HEREBY PROCLAIM**
